CHRISTMAS  
at Hell 'n Blazes Brewing

---

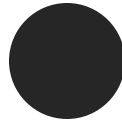

# PRICING and CATERING

Our special events pricing for our Vault Room and Game Room includes a \$100 event space rental fee, service fee and a Beer/Drink/Food purchase minimum of \$500. Prices vary so please contact our events team to receive a customized estimate. An example is provided on the next page. We can flexibly structure your drink packages, for example...

Single Tab

Separate Tabs

Fixed Contribution  
followed by separate  
tabs

Drink Tickets

Hell 'n Blazes Brewing Co. is also a full-service restaurant, providing full catering for all events. Our talented chef and the team have prepared a special catering menu, and we will even prepare specials specifically for your event. If you want to venture beyond our traditional catering menu, let us know and we will set up a meeting to discuss. We do Fresh American Pub Food; a Gastro Pub.

# PRICING

Our Vault and Game Room pricing is designed NOT to have a large minimum spend requirement like the hotels and banquet halls in our area. Some hotels in this area charge \$1000 for their room (we charge \$100) and have a minimum spend requirement of \$6000 to \$8000 and charge a 22% gratuity! This is very difficult to justify for parties of less than 100 people, so we took a different approach...

Our room fee is \$100, and we ask that your party spend a minimum of \$500. Then we add tax and a 20% gratuity.

The patio carries a \$500 room fee, and a minimum spend of \$2500, plus taxes and the 20% gratuity. Fees increase 01/01/27

The minimum spend can be made up in any combination of food and/or beverages and we will combine single tabs, separate tabs, etc. together. The only exception is that Catered food cannot be split into separate checks.

Our events are setup as cocktail, casual receptions. Our food is served buffet style, and your guests are free to explore the tap room and have fun in our game room.
